

the unit, and estimated costs for repair, along with a statement of the family's rights under State and local law. If the amount which the owner claims is owed by the family is less than the amount of the security deposit, plus accrued interest, the owner must refund the unused balance to the family. If the owner fails to provide the list, the family will be entitled to the refund of the full amount of the security deposit plus accrued interest.

(e) In the event a disagreement arises concerning reimbursement of the security deposit, the family will have the right to present objections to the owner in an informal meeting. The owner must keep a record of any disagreements and meetings in a tenant file for inspection by the contract administrator. The procedures of this paragraph do not preclude the family from exercising its rights under State and local law.

(f) If the security deposit, including any accrued interest, is insufficient to reimburse the owner for any unpaid tenant rent or other amount which the family owes under the lease, and the owner has provided the family with the list required by paragraph (d)(2) of this section, the owner may claim reimbursement from the contract administrator, as appropriate, for an amount not to exceed the lesser of:

- (1) The amount owed the owner, or
- (2) One month's contract rent, minus the amount of the security deposit plus accrued interest. Any reimbursement under this section will be applied first toward any unpaid tenant rent due under the lease. No reimbursement may be claimed for unpaid rent for the period after termination of the tenancy.

§ 880.609 Adjustment of contract rents.

(a) *Automatic annual adjustment of Contract Rents.* Upon request from the owner to the contract administrator, contract rents will be adjusted on the anniversary date of the contract in accordance with 24 CFR part 888.

(b) *Special additional adjustments.* For all projects, special additional adjustments will be granted, to the extent de-

termined necessary by HUD (for 24 CFR part 883 projects, by the Agency and HUD), to reflect increases in the actual and necessary expenses of owning and maintaining the assisted units which have resulted from substantial general increases in real property taxes, assessments, utility rates, and utilities not covered by regulated rates, and which are not adequately compensated for by annual adjustments under paragraph (a) of this section. The owner must submit to the contract administrator required supporting data, financial statements and certifications.

(c) *Overall limitation.* Any adjustments of contract rents for a unit after Contract execution or cost certification, where applicable, must not result in material differences between the rents charged for assisted units and comparable unassisted units except to the extent that the differences existed with respect to the contract rents set at Contract execution or cost certification, where applicable.

§ 880.610 Adjustment of utility allowances.

In connection with annual and special adjustments of contract rents, the owner must submit an analysis of the project's Utility Allowances. Such data as changes in utility rates and other facts affecting utility consumption should be provided as part of this analysis to permit appropriate adjustments in the Utility Allowances. In addition, when approval of a utility rate change would result in a cumulative increase of 10 percent or more in the most recently approved Utility Allowances, the project owner must advise the contract administrator and request approval of new Utility Allowances. Whenever a Utility Allowance for a unit is adjusted, the owner will promptly notify affected families and make a corresponding adjustment of the tenant rent and the amount of the housing assistance payment for the unit.
